2nd Person **FREE**

Are you spending too
much time doing the work
rather than managing the
business?

Register now for the Ten Hats Program
8th May 2017
Cobram Barooga Golf Club

Do you face the following challenges when running your business?

Do you often feel overwhelmed with how much there is to do when running your business?
Do you feel that there is not enough time in the day to get everything done?
Do you always wish there was another you?
Would you love to be able to go away on holidays and not come back to chaos?
Who taught you the key elements of a business and what hats you need to wear as a business owner?

You will learn:

Determining which hats you need to focus on to win the game of business
Identifying the key areas of each of the hats and the effect they have on your businesses performance
Deciding which hat needs to change in order to achieve growth, flexibility & increase profit
Identifying 10 critical actions that must take place to achieve business relief
Learning leadership techniques to empower your team, so they can operate with more clarity & certainty
Establishing a business plan to ensure business growth and development, to enable successful cash flow
